### Well and River Water Users - Cross Connection Control Statement

Date: \_\_\_\_\_

In accordance with Sections 33-18 through 33-22 of the Murfreesboro City Code, the Murfreesboro Water and Sewer Department is hereby notified of the intent to utilize a well and or river water at the following address:

I (we) understand and agree that this system is, and shall remain totally segregated from the public water supply, and no unapproved or unauthorized cross connection, auxiliary intakes, bypasses, or interconnections exist or shall be made. No such cross connections, auxiliary intakes, bypasses, or interconnections will be permitted without the written approval of the Tennessee Department of Public Health and the Murfreesboro Water and Sewer Department.

I (we) further understand and agree that the Director of the Murfreesboro Water and Sewer Department may discontinue the public water supply service at any premises upon which there is found to be a cross connection between the auxiliary water source and the potable water source, and service shall not be restored until such cross connection have been separated.
